

## FE Meeting Minutes 4/23/24

This is our last meeting of the year. There's isn't that much to discuss.

Want to update everyone on STEAM numbers and the focus group

STEAM Night went well had 306 total participant sign ins, food trucks weren't able to make it, one of them was sick and the other wasn't able to be set up in all the rain.

We got help from several Airmen some worked in rooms with teachers and there were a few that had their own activities to share.

Focus Group- happened on the 9<sup>th</sup>. Sent letters home to specific parents with an email to follow up, only 1 parent participated. She did provide good feedback however she is a parent that is very involved and it would be nice to get some parents that aren't as involved and have complaints.

Next year- Brandee won't be back as Liaison. Not sure if the position has been filled yet
