

Borman Blast Family Newsletter – August

Hello amazing Astro families! We had a great start to the school year; the students were energized, excited, happy, and ready to get started. I can tell they had a lot of fun and adventures with their families over the summer because I heard them telling their teachers stories and saw students writing about them in class. If you're new to Borman K-8 and Tucson, welcome! Tucson is a beautiful city with a lot of fun and interesting places to explore. It's the only place in the world where you can go from the desert to mountain pines in only 45 minutes! We also have some of the best restaurants in the country. We also have a lot of great things planned for the year for school events. Our Borman PTO Facebook page has the most up to date information.
