July 1, 2022

Hello Borman K-8 Families,

It is with great excitement that I can introduce myself to you as the new principal of Frank Borman K-8 School and welcome to the 2022-2023 school year. My name is Brian Huss and I have been in education for 20 years. I have worked as an elementary school teacher, a school technology coach and instructional coach, MTSS facilitator, and middle school assistant principal. I grew up in Iowa but have lived in Tucson for almost 30 years. Working with children has been a part of my life since high school; being a summer camp counselor, volunteering as a sports coach for many years, and president of a local youth football and cheer organization. I attended Pima Community College, University of Arizona, and Northern Arizona University.

I intend to carry on the positive legacy set forth by outgoing principal, Kathy Sisler, and serve our military families with pride and respect. High academic achievement, positive behavior and civics, integrity, transparency, communication, and community will be the priority of my leadership and school expectations. I believe in the whole-child approach to education and developing well-rounded, collaborative, responsible, and respectful citizens.

My wife and I have two wonderful children; our daughter just graduated from the University of Arizona and our son will be a sophomore in high school. We like to travel, spend time outdoors hiking and UTV riding, and eating good food! I enjoy skateboarding, college sports, competitive powerlifting, and am a USPA judge.

I am glad to be your partner in your child's education and looking forward to getting to know you and your child in the upcoming school year.

Sincerely,

Brian Huss, M.Ed
Principal - Borman K-8 School
