April 2020

Hello Borman Community,

I hope this message finds you all well. In these uncertain times, I have watched our Borman community come together to get through it together. Thank you, teachers and staff for working every day to help our students and parents! Your hard work does not go unnoticed! Thank you, students and parents, for continuing online learning and work at home. You are appreciated!

Our updates include:

*April 17 is the day we will honor our Military Children. Please "Purple up - wear purple on April 17!"

* On April 16 & 17 - We will pass out learning packets. All students in grades K-8 will be able to pick up a packet. (Please see the ParentLink message sent out on 4-13-2020 for more information.)

* Personal items that remain at Borman are safe. In the next few weeks, TUSD will announce a safe plan for families to pick up their things.

*Zoom meetings! They are going great! It has been wonderful for us to see our students and parents, even though we can't be together. Thank you for joining our classroom Zoom sessions! Thank you, teachers for providing the opportunity!

* Grades - we will use the 3rd quarter grades for the 4th quarter. Students have the opportunity to raise a 3rd quarter grade, but no grade will go lower. Work done by our students will be additive, not negative. Parents and students should work with the classroom teacher to learn what can be done to raise a grade.

Please do all you can to take good care of yourselves. Ask questions if you are unsure, reach out if you need help, and be proud of all you are doing to help each other in this time of uncertainty. "Do the best you can. No one can do more than that." by John Wooden
Stay safe, stay strong and stay healthy.

Respectfully,
Kathy Sisler
Principal
