

Hello Borman Community,

I hope this message finds you well and staying safe.

We are looking forward to our "Meet and Greet" Zoom meetings tomorrow. If you have not received an invitation from your child's teacher, please contact our office and we will send you the link as soon as possible.

The Borman K-8 online learning schedules are attached for Grades K-5 and for Middle School. These schedules will give you the start time for school, as well as the dismissal times. The K-5 schedule which is attached will give you an idea of what our online school days will look like. The lunch times will change with each grade level based on our lunch schedule.

We will have one more laptop distribution on Monday, August 10 from 3:00 -5:00 pm. This is will be a drive through event and it will only take you about 5 minutes to complete the process. Please drive through our front half circle between the hours of 3:00 - 5:00 pm to pick up a laptop if your student/s are in need.

In regard to the date that our students will return to our Borman campus for onsite learning, the decision will be made by our TUSD Governing Board, based upon the guidance provided by the Pima County Health Department. A recommendation will be made to our Governing Board on Tuesday, August 11.

Thank you for your support as we work to meet the needs of our Borman school community. These uncertain times have made it necessary for us to start our school year in a very different way, but we are looking forward to the time when we can go back to learning on the Borman campus. We will get through this together.

Please take good care of yourselves and your families. Stay safe, stay well, and stay strong.

Respectfully,

Kathy Sisler, Principal

Borman K-8 School

Thank you so very much for your support as we navigate these uncertain times.
