May 2020

Hello Borman Community,

I hope this message finds you and your family well. These unprecedented times have truly tested our resolve; however, we continue to overcome together. Online learning has brought challenges, but it has also brought many successes. This week I watched a MS student give a report, using PowerPoint, while sharing a screen on Zoom. I also had the delight to share time with Kindergarten students who were working on counting the number of school days we have had. It has truly been fabulous to pop into many different classrooms over the last month and observe as our teachers continue to teach and our students continue to learn! The school closure has stopped our community from coming together in person, but with the Zoom rooms, we have maintained contact.

**Update for May 2020**

**\*May 8** – students returned library books, band and orchestra instruments, and MS athletic uniforms

**\*May 8** - Virtual Field Day – What fun! Keeping us all active! Thank you all for participating! Mr. Honorable, Mrs. Redlin, and Mr. Curran – thanks for planning such a great community event!

**\*May 12** – Students may pick up personal items from Borman. Please see the following important details regarding a safe plan to return items to students.
