ITEM TITLE	Family Engagement
DISCUSSION NOTES	<ul style="list-style-type: none"> 1st Qtr family engagement event- Family Reading Challenge was to read 20 books in 20 days together as a family. Reading logs were emailed out and asked to be returned after the 20 days. 11 families turned in their logs and each student received a goodie bag or backpack of free food coupons, school supplies, bookmarks, and a new book. <p>**2nd Qtr family engagement event still needs to be planned. Typically, we would do a STEM Night. If we are not back in person and/or still under restrictions (social distancing etc.) what will STEM look like? I emailed Tania to discuss what we could do in place of how we have normally done things. Her and I can discuss and brainstorm that further, but I could use some other ideas if we cannot make that work.</p> <p>***I would like to do something for our families and/or students before we get out for Christmas break. Is it possible to have some type of drive thru giveaway? I have a bunch of jackets that I got from the Family Resource Center, we still have toiletries in our hygiene pantry that are just sitting there, we have Pizza Hut and Whataburger coupons, are there other things we can get and put bags together?</p> <p>****Virtual Spirit Week of some sort</p>
