

Family Engagement Meeting Minutes 9/8/20

Members Present: Veronica Bonner (Facilitator), Brandee Hudson (Classified/parent), Kathy Sisler (Principal), Machel Redlin (teacher/parent), Linda Schmid, (teacher), Angie Hoover (Parent), Anthony Bonner(teacher), Elsa Vega(teacher/parent)

The Family Engagement is still required to plan at least 2 curriculum based events this year despite Covid. I would prefer, if possible, to do something that does not require a ZOOM as kids and parents are on Zoom all day.

Need ideas of an event we can do this semester. Hopefully next semester we can still do a STEM night of some kind and that will be our 2nd semester event.

Talked about ideal on what kind of events can be done to promote community engagement this 1st semester.

Mrs. Redlin suggested a reading challenge like she did with her 4th graders last year. Read a certain amount in a specific period of time as a family.

Can figure out details based on that suggestion.

Plan agenda for next meeting Monday May ,2020.

Adjourn: 3:51 pm
