Information items: We completed the 2nd of our two curriculum focused events with the Read Across America Week. Bingo cards with reading activities for families to engage in together were sent home. Parents needed to sign off that the activities were completed. All those cards that were returned were entered into a raffle. We had 90 cards returned and about 40 parents/adults that came in to read books to our students.

Upcoming events: Month of Military Child activities are being planned. I am working with Ms. Redlin and STUCO to plan spirit week, we will do Purple Up Thursdays this month

I'm working on getting some Airmen volunteers to come and do a bootcamp of some sort with our students during spirit week. We will probably set it up like we did the turkey trot, have a few different sessions throughout the morning.
