

Family Engagement Meeting Minutes November 15, 2021 10:20am

Present- Brandee Hudson (community liaison), Donna Chambliss (certified), Veronica Bonner (Asst Principal), Machel Redlin (certified)

Curriculum focused event needed for this semester. I had planned a Love of Reading lunch, outdoors as we did it a couple of years ago. I received some giveaways, information, and learn at home materials from the public library.

Ms. Sisler has determined that due to Covid numbers she does not want to host any large gatherings indoors or out so we will need to come out with a new plan for a family engagement event.

Possible ideas include- Zoom event with parents being guest readers, volunteer readers from the community (Airmen) could pop in to several different classes.

Drive thru for items from library? Have it during the week we get out of Christmas break and read Christmas stories? Teachers will have to provide Zoom links to their student families, can use Prometheon boards for the class to view the readers.

I will see if I can get some ideas of what other schools have done virtually and then have Mrs. Bonner talk with teachers about what they will need to do.

Meeting adjourned at 10:45am
