

Family Engagement Meeting Minutes 1/4/22 3:30pm

In attendance- Mrs. Dotson, Ms. Schmid, Ms, Sisler, Mrs. Bonner. Ms. Lee, Mrs. Hoover, Mrs. Fleming, Brandee Hudson

1. Love of Reading curriculum event in person, had to be cancelled due to Covid protocols. Had the event on Zoom. Teachers invited parents to read a Christmas story to the classroom. Not much participation this way. Possibly due to having it during the last week of school before break?

We will try and plan something for Love of reading week or read Across America week that can incorporate families for a book character parade possibly outside, covid permitting.

2. FE survey went out after fall break. Need those numbers and to look at responses for potential focus group questions. Brandee will get with Ms. Sisler this week for the information. Betsy should be able to facilitate the group as she has done it the last 2 times. Focus group is supposed to be completed by Feb 25.
3. We need a 2nd semester family engagement event. Hopefully we can do STEAM night since it has been cancelled the last 2 years. We don't have a STEM coordinator anymore so Brandee will have to work with someone else to get things planned if we are able to do so.

Next meeting we will probably be able to discuss STEAM night and how the focus group went.

Meeting adjourned at 3:45
