### October is Bullying Prevention Month

October is National Bullying Prevention Awareness Month. Throughout October, students and adults alike are encouraged to **#BlueUp** by wearing a blue shirt during the month to show that bullying prevention is heard around the world.

As a community we can all model how to treat others with kindness and respect. Children learn from the actions of adults and of their peers. By treating others with kindness and respect, we can all – young and old - show that there is no place for bullying.

### Absences

If your child will be absent from school for any reason, please notify the school office. We appreciate you telling the teachers, but we need you to let the office know as well. To **report an absence, please call 584-4602.**

## Lost and Found

The cooler months are coming soon. To help us locate the owners of lost jackets and sweaters, please write your child's name on the tag inside the clothing item. Thanks!

## Resources
